

## TAKE UP YOUR SWORD

### ***And He has made My mouth like a sharp sword.***

Isaiah 49:2 (NKJV)

Jesus is described as “having a sharp two edged sword in His mouth” (Rev.1:16), which is the Word of God. It is by the Word that Jesus stood against the temptations of the devil, and demonstrated the power of God through many works, and it is the Word of God that we are to use as a mighty weapon through prayer to do the greater works that God is calling us to.

In the beginning God “spoke” and creation came into being. As the children of God we are admonished to ‘speak to the mountain’ (Mark 11:23) and it will obey us and move, and that we are to declare a thing and it will be established for us (Job 22:28).

God’s Word is unchanging and packs unfathomable power. When we wield it as our sword in prayer, we are using a powerful spiritual weapon that brings down the strongholds in our personal lives and in the world around us. Faith and God’s Word work together, and faith comes by hearing the Word (Rom. 10:17). When we meditate on the Word, allow it to take strong root in our spirits, we sharpen our prayer sword. The more we have the Word rooted in us the more powerful our prayers are to hit the target, as they are backed up by a confidence (faith) that God will act according to His promises.

As we enter into the winter season, it is our prayer that the FACTS verses will help root God’s abundant promises into your spirit, draw you to a greater skill level of prayer using the Word as a weapon, and build up your faith and confidence that our God is faithful and reliable to deliver according to His Word.

Jesus working through us, the Church, is the worlds only hope. God has given us the power and dominion to bring change; let’s take our swords in hand and wield them with skill and authority in the mighty name of Jesus!

***So shall My word be that goes forth from my mouth; It shall not return to Me void, Buy it shall accomplish what I please, and it shall prosper in the thing for which I sent it.*** Isaiah 55:11 (NKJV)
