

## #2 YOUR PRAYER JOB

This resource can help you identify the scope and opportunity of action required for the faith adventure in prayer that God has called you to steward. God stories await your involvement.

Every role is significant whether as a domain team member, facilitator, coordinator or champion. Are you ready to take a risk with God? To step out in faith and obedience to God's call, knowing you are absolutely dependent on Him? That is great! It means God alone can get the credit.

**Domain:** a field or sphere of action, thought or influence in your city or community. I.e. the domain of family, education, church, business, sport, arts / media / entertainment, government, or other.

Your obedience to God's call is essential and can serve to create a prayer movement that generates God stories for the domains of your city or community. At which level is God calling you to be involved? It often begins where you long for God to break through in your life or in the lives of those you love.

### CHOOSE TO BE A TEAM MEMBER

Someone responding to God's call to inquire, hear and obey for Kingdom advance will identify their opportunity for breakthrough and indicate a commitment to pray God's heart and Word into that sphere of influence until there is a breakthrough.

By becoming a member of a Breakthrough Prayer Team and registering online at [www.breakthroughprayer.com](http://www.breakthroughprayer.com), you can indicate *where* God desires to bring His advance in your city. Your commitment to an hour of prayer each week is supported and enhanced with weekly online encouragements as well as the trimester Devotional and FACTS verses designed to strengthen your Word and Spirit focus in prayer. See resource # 3.

### START A PRAYER TEAM

At Breakthrough Prayer Ministry a prayer team consists of two or more members committed to at least one hour of prayer each week. The more teams mobilized, the more prayer coverage and opportunity for God stories to be generated in that domain of your city or community.

Teams are encouraged to be familiar with Breakthrough Prayer Ministry's vision, mission, mandate, statement of faith, training resources and policies.

Opportunity is available to serve according to the size and scope of your call, whether as a domain team member, facilitator, coordinator or city champion of prayer. You can be resourced, trained and equipped online or onsite by certified coordinators and champions of the call to "Inquire, Hear and Obey for the Advancement of God's Kingdom."

Teams are encouraged to pray and ask God to raise up other teams where they see need. By this we mean "adopt" a domain or city without taking on the needs.

### BECOME A TEAM FACILITATOR

A facilitator is the team member willing to lead by contracting with the team the when, where and how often they will meet, as well as facilitating the prayer hour using the FACTS verses as a suggested guide. They also become the contact person with Breakthrough Prayer Ministry. This assists communication of the vision, mission, mandate, policies and guidelines, statement of faith and training resources, which serve

to strengthen teams and give the right to use the Breakthrough Prayer Ministry name in any manner of representation. They also keep contact information current.

God has been faithful to meet the financial needs of this faith-based ministry through group giving as facilitators remind team members, collect and send regular donations to head office (see Mark 12:44).

### DOMAIN COORDINATOR

A domain coordinator identifies with a desire, call, skill and passion to see spiritual breakthrough generated through mobilized and trained team facilitators and members in their domain of interest as it relates to Breakthrough Prayer Ministry's city strategy.

They will be certified\* with Breakthrough Prayer Ministry and committed servant leaders who promote, mobilize, equip and encourage team facilitators and groups in their focused domain or field, such as education, family, church, business, sports, arts / media / entertainment, government or other.

They are willing to serve alongside coordinators of other domains. Their

scope of involvement may vary by gifting, but ultimately their mission is to support the call to Inquire, Hear and Obey for the Advance of God’s Kingdom in their sphere of influence and specific domain of interest.

**CITY CHAMPION**

A city champion of prayer identifies with a city-scope of desire, call, skill and passion to see spiritual breakthroughs generated through mobilized, trained and equipped domain teams, facilitators and coordinators as it relates to Breakthrough Prayer Ministry’s city strategy.

They will be certified\* with Breakthrough Prayer Ministry and committed servant leaders who research, promote, mobilize, train, equip, resource and encourage domain coordinators, facilitators, teams and members. They are willing to serve alongside other city initiatives and ministries to foster and promote a unified God-given city strategy of evangelistic prayer.

Their scope of involvement may vary by gifting but ultimately their mission is to support the call to mobilize their city to Inquire, Hear and Obey for the Advance of God’s Kingdom.

Champions are invited to serve as an advisory council member on the Breakthrough National Leadership Team. They may desire to consider a staffing role with Power to Change.

**NATIONAL LEADERSHIP TEAM**

This team identifies with a national and international scope of desire, call, skill and passion to see spiritual breakthroughs through mobilized, trained and equipped teams in the cities of our nations. They are selected by the National Director to serve as consultants and as an advisory council for the ministry. They share a heart to see a movement of prayer and evangelism spread across the nation(s) and are committed to develop and coach leaders in this movement.

- \*Certification involves an application form including a reference from a pastor or church leader; training, encouragement and signed agreement with Breakthrough Prayer Ministry vision, mission, mandate, policies, procedures and statement of faith. They partner as they are called, and give of their time, talent and resources to support the advance of groups

in their area. Application forms available online.

► Ask Yourself: Am I willing to step out in faith and obedience?

Willingness to collaborate with God according to your call makes a difference! Satisfaction and significance for Kingdom advance marks this incredible faith adventure in prayer.

*“The WANT TO issue of hearing God speak must be settled before the HOW TO part can draw us close to God.” Roger Barrier\**

**ADMINISTRATIVE TEAM**

This team of hired staff and volunteers facilitate the ongoing internal administration and operations of Breakthrough Prayer Ministry at Power to Change national office in Langley, BC.

**INTERCESSORY TEAM**

This team identifies with a call to faithfully support Breakthrough Prayer Ministry Leadership in prayer and to be called on at any time.

Whatever the scope of your call, taking action makes a difference! Satisfaction and significance for Kingdom advance mark this incredible faith adventure in prayer.
