

## Content License Agreement Attention: TruthMedia

This agreement is made by \_\_\_\_\_ (“Owner”) with Power to Change Ministries (“Publisher”), concerning the creative work know as \_\_\_\_\_ (“Article/Script”). \*If you would like to give permission for more than one piece of work, please indicate with “all submissions to Power to Change.”

Whereas Owner and Publisher mutually desire to have the Article/Script published/republished by Publisher, Owner grants a multiple use permission for Publisher to use the described Article/Script in varying formats, editions, adaptations and foreign-language translations, in text or other forms of media, on or by, any and all publications/websites that are part of Power to Change Ministries with Owner’s further pre-publication approval not required for any changes, adaptations, translations or republishing.

In the case of scripts these rights also include the recording, taping, reproduction of the script and its broadcast for television, Internet and all other forms of communication both present and future.

Owner attests to being either the copyright owner or the legally authorized agent of copyright owner of Article/Script, and being legally able to grant and assign such rights, and that Article/Script does not infringe any copyright or proprietary right of any other person. Owner acknowledges there is no remuneration for the Article/Script.

Publisher and Owner agree that this agreement is only a licence to publish/republish Article/Script, and does not assign or transfer copyright ownership to the Publisher.

Publisher agrees to include with the Article/Script the copyright information designated by Owner at time of agreement. The Publisher agrees to display the name of the Author along with the Article/Script and to link a short bio. The Author acknowledges that it is his or her own responsibility to update the information in the bio.

Publisher and Owner agree that this licence is for an indefinite period of time, and even if revoked allows us to continued publication in website archives for an indefinite period of time for technical reasons.

Publisher and Owner agree that this agreement shall be governed by the laws of British Columbia, Canada, and that resolution of any apparently irreconcilable difference will be via arbitration.

I understand the terms of this agreement, and hereby grant Publisher a licence to publish/republish Article/Script under the specified terms.
