We're hiring... Video Team

As a member of the Video Team with Power to Change you will participate on a variety of levels to bring film projects from conception to completion. Bringing your own skills to the table you will work with art directors, videographers, actors, writers and editors to ensure all videos are filmed, edited and posted with excellence. You will also be responsible for bringing creativity and gospel-accurate messaging to all projects on budget and on time.

We are looking for those with specialized skills in the following areas:

- Producers
- Script Writers
- Videographers
- Directors
- Lighting & Set Designers
- Editors
- Production Assistants
- Sound Technicians
- Actors

Responsibilities.

- Grow as a leader who is Christ-like in character and full of faith and to pursue expertise in your ministry arenas.
- Godly leadership in working with a variety of people both as a team member and as a leader.
- Initiate ideas and create video projects to accomplish the goals of Power to Change.
- Cultivate and maintain a solid ministry partner team.

Skills.

- You enjoy working independently and with a team.
- You possess leadership skills to oversee team members, vendors and clients.
- You have contemporary technical skills and troubleshooting abilities while seeking for opportunities to learn and improve.
- You have creative input aptitude and decision-making skills.
- You have a working knowledge of computer software packages relevant to video production.
- You enjoy working in a team and can take direction.

Must-Haves.

- University degree or equivalent in a Graphic Design, Videography, Communications, Editing, Sound Technician, Directing, Film, Theater or Media Arts.
- Knowledge and technical experience of video production including script writing, and editing.
- A deep, growing, intimate relationship with Jesus Christ.
- Commitment to Power to Change's leadership, methods and ministry models.

Locations.

- Guelph, Ontario

Ministry Partner Development.

Successful candidates will have the privilege to build a partnership team that provides financial and prayer support for the ministry. The financial support will cover the costs of the candidate's salary and ministry expenses. We believe that Ministry Partner Development is biblical and God will provide everything necessary to fulfill your calling into ministry: finances, emotional strength and perseverance. Building a ministry partnership team is an integral part of being in ministry.
