

A Husband's Guide to Romancing His Wife

Men, despite what Hallmark would have you believe, there is no cookie-cutter formula for romancing your wife. Every woman is unique in her needs, desires, tastes and preferences. That being the case, the first step in sweeping your wife off her feet is to understand what she's looking for.

This guide will help you do just that. Tell your wife that you want to learn to become a more romantic husband, and ask her to help you by answering these questions. We're guessing she won't mind!

Keep this guide in a handy place so you can refer back to it when needed. And let the loving begin!
