Ministry Overview

Power to Change seeks to glorify God by making a maximum contribution toward helping to fulfill the Great Commission in Canada and around the world by developing movements of evangelism and discipleship. We envision millions of volunteers engaged in faith adventures that transform lives through the power of the gospel. You can be a part of this movement of change by applying your skills in PTC Ministries.

Global Aid Network (GAIN) demonstrates the love of God in word and deed to people who are hurting as a result of poverty, natural disaster or political upheaval. Together, we can help provide simple things: clean water, shelter, medical help and perhaps most importantly, hope.

Position Overview

The Video Editor Intern will contribute to Global Aid Network's video production by assisting with the technical and creative work required to prepare video projects necessary to help communicate the ministry. This person will also have the opportunity to experience the ministry by participating and filming one international trip.

Responsibilities:

- Execute and implement storyboards for video projects
- Discuss video project plans with the team to determine appropriate editing
- Use computer-controlled video editing systems to prepare video for presentation
- Operate video recorders and related equipment when interviewing a subject/event
- Film the international trip
- Operate audio equipment required for narration and voiceovers
- Assist with post-production work such as duplicating DVD's, creating DVD menus, etc.
- Perform related work as required

Education and Experience:

- Currently in or has graduated from an accredited college or university in an appropriate curriculum related to telecommunications or educational video production
- Some experience in Communications production work
- Any equivalent combination of training and experience

Required Skills and Abilities:

- A deep, growing, personal relationship with Jesus Christ
- A compassionate heart and passion to impact the hurting and poor worldwide with the love of Jesus Christ
- Knowledge of methods, video equipment, personal computers, and techniques used in the video editing field
- Knowledge of the uses, operations, and limitations of video editing systems and related equipment
- Able to effectively communicate ideas orally and in writing
- Able to visualize production scripts and other verbal or written instructions
- Able to operate and maintain video editing systems and related equipment
- Awareness of social media and their requirements necessary for video projects
- Knowledge of the creation of effects/animation to help with illustrating text or stats
- Creative and willing to think outside the box
- Able to prioritize in order to meet specific deadlines
- Good eye for detail
- Good communication and listening skills
- General knowledge of how to film a subject (how to frame a subject, lighting, etc)
- Able to work within a team environment
- Proficient with a majority of Adobe CS5: Premier Pro, Encore, Media Encoder, Photoshop, After Effects, and Google Earth Pro

Funding:
